

**bon vi-vant - bän vëvänt/ noun 1. a person who enjoys a luxurious lifestyle, good food, and great wine.**

Life is about living well; no matter your definition. Memories large and small weave together to create a good life. From toes dipped in your favorite lake with a crisp Sauvignon Blanc watching the kaleidoscope sky tantalize making you believe anything is possible to an evening on the front porch with a new love nibbling on aged parmesan cheese, crusty French bread, and a sexy Syrah in excited anticipation for what the night might reveal. These are the moments a *Bon Vivant* creates.

Peggy Fiandaca and Curt Dunham, LDV Winery owners and longtime wine collectors have created memorable experiences through their love of food, wine, and entertaining. It is their belief that the Bon Vivant is someone who takes the initiative to set the stage for good times to happen. However, sometimes the Bon Vivant needs a little inspiration. LDV Winery has created a “Wine Experience” to bring together a specially selected wine and specialty food or cheese pairing to create that perfect moment. In addition to the pairing, you receive an event scenario for your consideration. The scenario describes the details about the wine and specialty product, wine and food tasting notes, and how the pairing might become part of a larger festivity.
